

TECHNICAL DATA SHEET

ATV003C3 Safety Gloves

Product Introduction:

- **Advanced Design:** The ATV003C3 Anti-Vibration Glove is designed with a 13-gauge HPPE liner, featuring a foam rubber palm and sewn TPR impact protection. This glove offers durability, shock absorption, and functionality in demanding environments.
- **Certified Protection:** Meets EN388: 4X42DP and ISO10819 standards for vibration protection and mechanical performance.

Features:

- **Shock Absorbing:** Anti-vibration foam rubber palm to reduce vibration impact.
- **Durable Build:** Made with high-quality HPPE for long-lasting use.
- **Impact Protection:** TPR (Thermoplastic Rubber) on the back for enhanced safety.
- **Enhanced Grip:** Provides excellent grip performance in dry and slightly oily conditions.
- **Comfortable Fit:** Lightweight and pre-curved design ensures natural hand movement.
- **Elastic Cuff:** Secure fit for extended usage.

Benefits:

- **Vibration Reduction:** Minimizes hand fatigue and reduces the risk of HAVS (Hand-Arm Vibration Syndrome)
- **Versatile Usage:** Ideal for automotive, construction, mining, and manufacturing industries
- **Safety Assurance:** Certified for both cut resistance and vibration dampening
- **Breathable Comfort:** Ensures air circulation for comfort during prolonged use.

Product Specifications:

- **Shell:** HPPE
- **Gauge:** 13-Gauge
- **Shell Color:** Salt Paper
- **Palm:** Anti-vibration foam rubber
- **Palm Color:** Black
- **CE Rating:** 4X42DP EN ISO 10819
- **Size Available:** 9

Udyogi

Industry :

These helmets are utilized for their protective and practical features in various industries such as

Power Tool
Operation

Construction

Mining

Iron & Steel

General
Manufacturing

Lumber and
Mill Works

Metal/Aluminium
Sheet Handling

Marine

Cement Industry

Auto Mobile

Safety Information:

- **Inspect Before Use:** Check for visible damage, such as tears or holes. Do not use damaged gloves.
- **Proper Fit:** Ensure a snug fit for maximum comfort and protection.
- **Post-Use Care:** Store gloves in a cool, dry place away from sunlight or heat. Replace gloves if dirty or damaged.

Usage Instruction:

- Ensure you select the correct size for a secure fit.
- Slide your hand completely into the glove, aligning fingers properly.
- Ensure a firm fit without restricting movement.
- Remove gloves gently to avoid stretching
- Inspect for signs of damage after use.

Storage :

- Store in a cool, dry location away from direct sunlight and heat.
- Avoid extended exposure to sunlight to maintain product quality.
- Expected shelf life: 5 years.
